- Pastor Mike

Proverbs 19:11 (KJV) *"The discretion of a man deferreth his anger; and it is his glory to pass over a transgression."*

David Whitehead said. "It is one thing to be patient when things are going our way; it is another thing to be patient when we feel wronged. As C.S. Lewis stated, "Everyone feels benevolent if nothing happens to be annoying us at the moment." We show our true wisdom when we are faced with offense. Can we overlook the faults of others - even when it hurts?"
