

Since 1969, CLA has been providing free legal assistance to Bible-believing churches and Christians who are experiencing difficulty in practicing their religious faith because of governmental regulation, intrusion, or prohibition in one form or another.

The Christian Law Association exists to preserve Christian liberty for your children and grandchildren. Heritage Church financially supports CLA and we ask that you commit to prayer for this ministry.

CLA received in excess of 100,000 phone calls annually, not counting the thousands of pieces of correspondence from those who are in some way facing legal difficulties for doing what the Bible commands. These cases involve Christians arrested for witnessing to others in public, public school students being told they do not have the right to read their Bibles at school, churches being excluded from communities, Christians being fired for sharing their faith at work, and thousands of other shocking assaults on our precious religious freedoms. CLA provides free legal services based in part on the generosity of God's people. Your contribution to CLA is 501(c)(3) tax deductible.

More than 40 years ago, the ministry of the Christian Law Association effectively began with a phone call from a pastor in Ohio.

As a young attorney, David C. Gibbs, Jr. could hardly believe his ears as the pastor relayed how his church was being sued by the state for operating its ministry. As he reviewed the legal documents, Dr. Gibbs was astonished that such a thing could happen in modern America. From that very first case through the present day, God has blessed Dr. Gibbs' commitment to legally help churches, pastors, and Christians free of charge. The ministry has grown substantially through God's blessing over the last 40 years as attorneys, legal assistants, and other ministry workers have joined our team of "legal missionaries."
